

## /FRIENDSHIPS

The Stride Art Gallery Association is grateful to its many Friends for their support of the gallery. This crucial support helps us to provide excellent professional development opportunities to contemporary Canadian artists, and play a significant role in Calgary's vibrant arts and culture community.

With your donation of \$20 (or \$10 for students), you will receive a year-long Friendship with Stride, which includes invitations to our exhibitions and special events, access to our archives and resources, and special notices about what's happening here at the gallery. We're always working to develop meaningful ways to thank our Friends for their support. Please contact the gallery for more information on how to reap the rewards of a Friendship with Stride.

## /MANDATE

Stride supports artistic pursuits that combine innovative creative expression with informed critical discourse and promotes recognition of emerging, mid-career and established artists by providing opportunities for community engagement with contemporary art practices.

## /MISSION

Stride provides gallery exhibition spaces and presentation opportunities for diverse art projects that stimulate a reconsideration and reframing of conventional points of view.
